

EEEN 210

Quick Guide

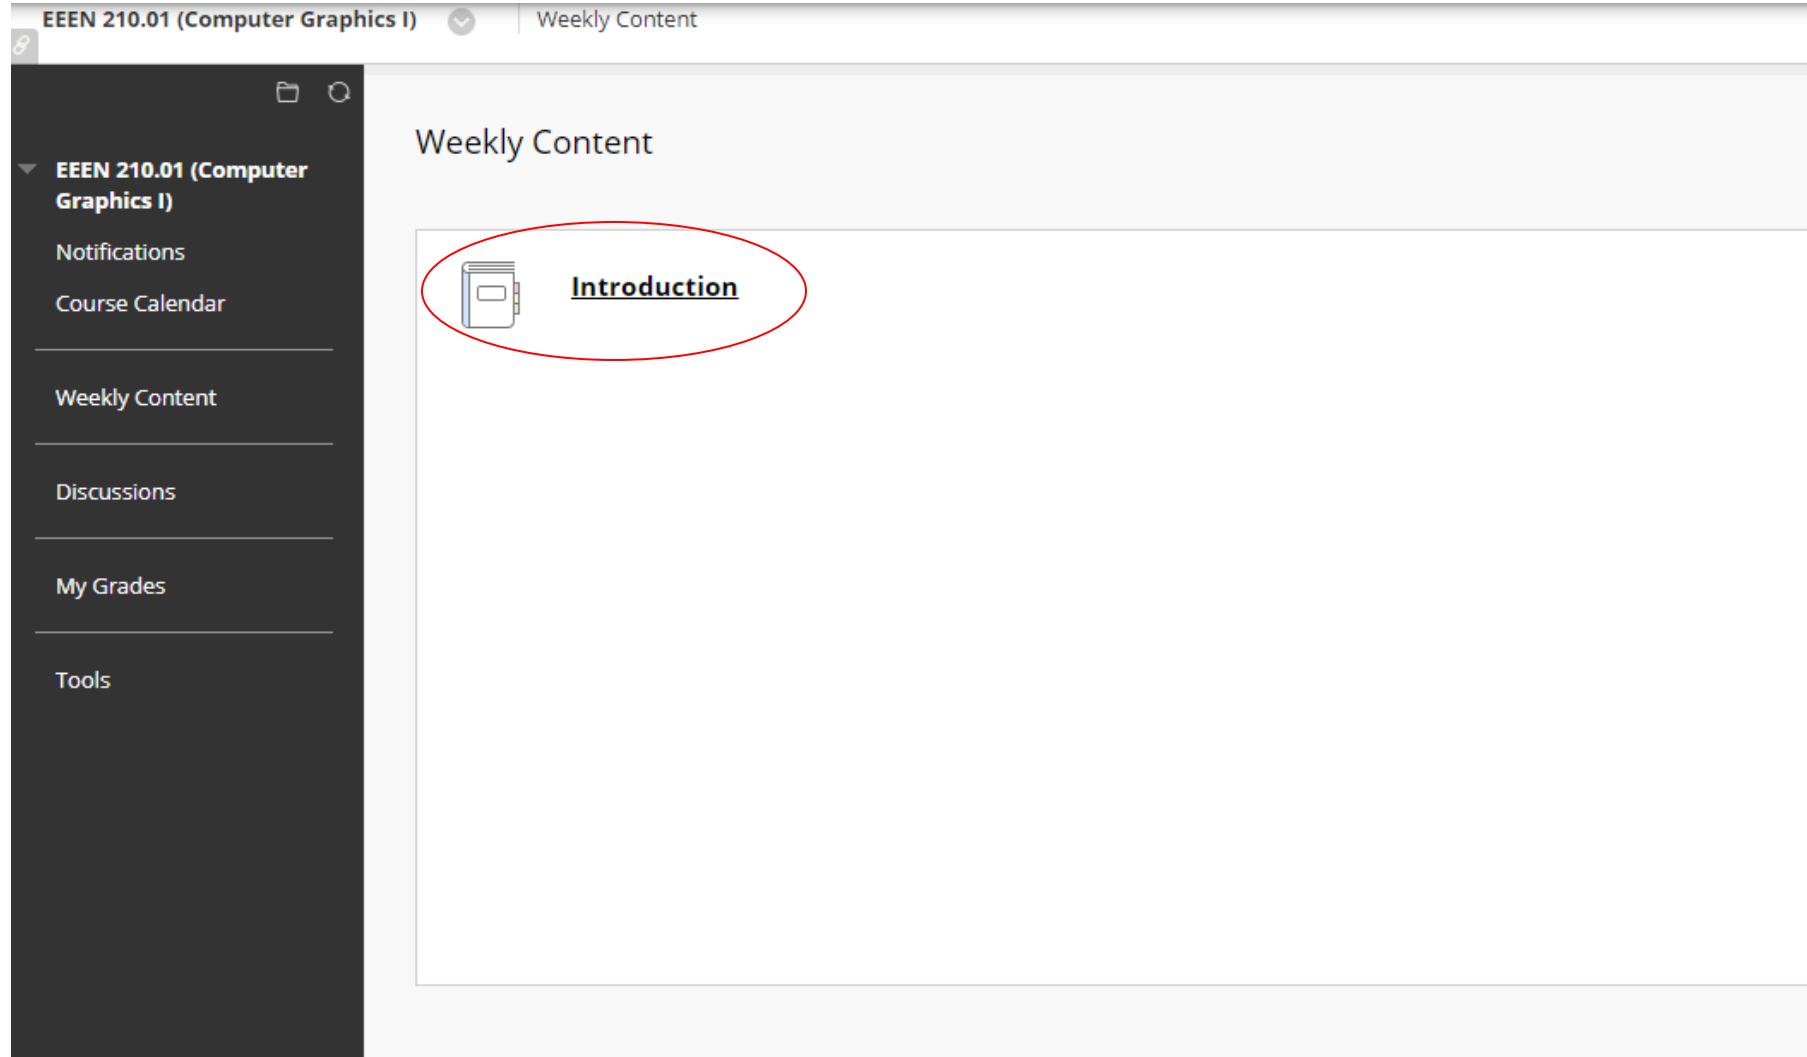

How To Watch Lecture Videos

- Go online on learn.bilgi.edu.tr
- Select the course EEEN 210. Click on «Weekly Content» from the left column.

How To Watch Lecture Videos

- Click on the subject you want to attend. For the first week «Introduction» is available.

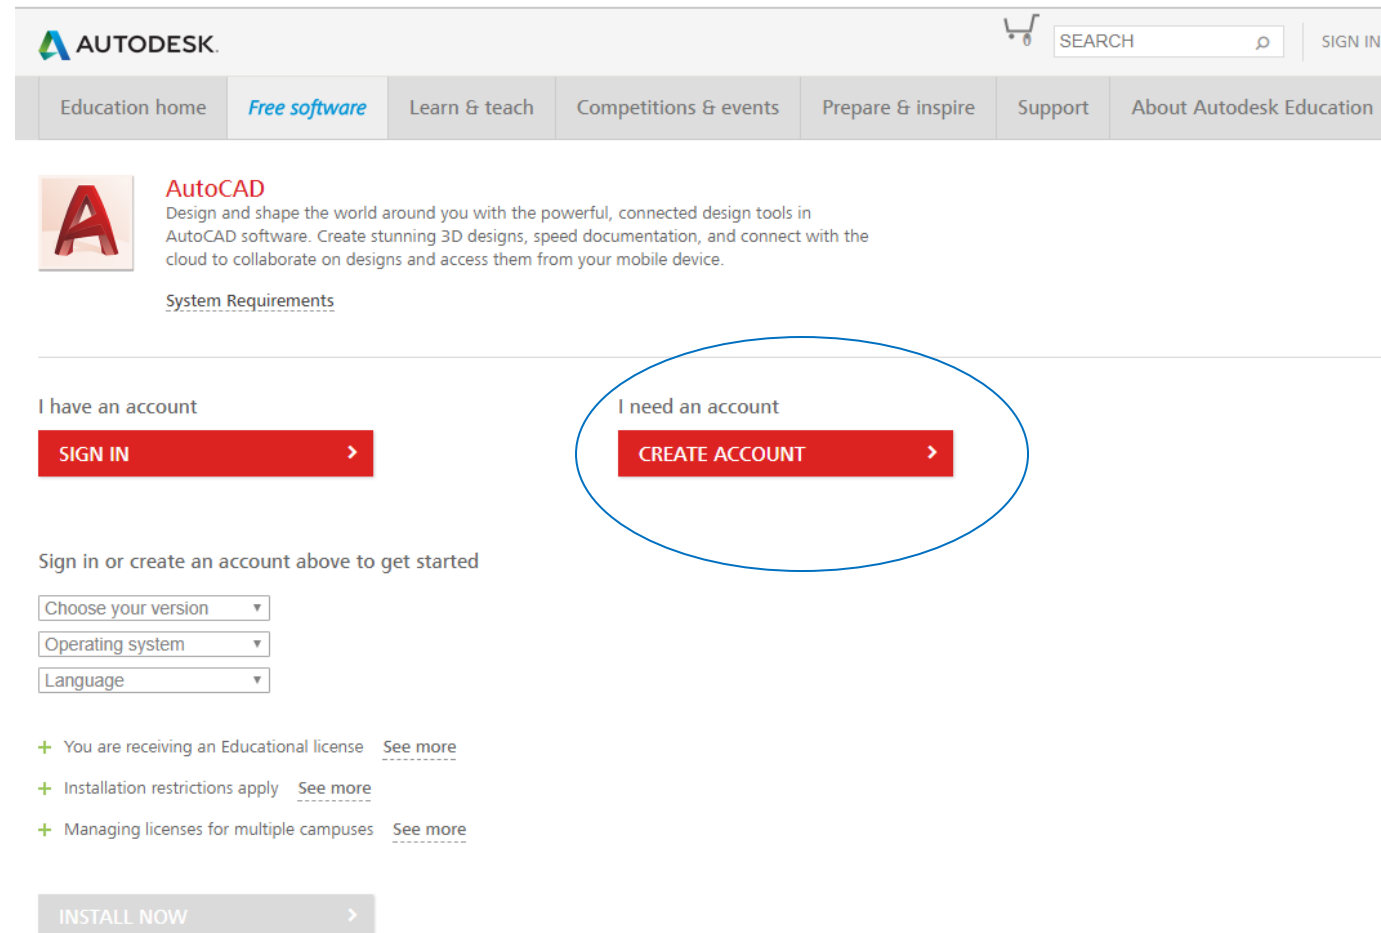

How To Watch Lecture Videos

- Attend to the lecture by watching videos carefully. You may pause as you like.

The screenshot displays a course management system interface for EEEN 210.01 (Computer Graphics I). The top navigation bar includes the course name and a dropdown menu, with the current path being Weekly Content > Introduction. The left sidebar contains navigation links: EEEN 210.01 (Computer Graphics I), Notifications, Course Calendar, Weekly Content, Discussions, My Grades, and Tools. The main content area is divided into a Table of Contents and a video player. The Table of Contents shows the current page is Page 1 of 4, with links to Introduction, Introduction 1, Introduction 2, and Introduction 3. The video player area displays a large play button icon over a video frame showing the EEEN 210 logo and the text 'Computer Graphics I'. A 'Page 1 of 4' indicator is visible in the top right corner of the video player area.

How To Download AutoCAD To Your Personal Computer

- AutoCAD offers students 2 years of free student licence. For this first you need to go to < <https://www.autodesk.com/education/free-software/autocad> > and create an account.

How To Download AutoCAD To Your Personal Computer

- Sign in with your account. Then select the product you need.
- Click « install now » below. It will download an «.exe» file onto your computer.
- Set-up the .exe setup file like any other software. You will also receive your licence details as an email.

The screenshot displays the Autodesk Education Community interface for a user named Janset Savas. The top navigation bar includes the Autodesk logo, a search bar, and the user's name. Below this, a secondary navigation bar lists various options: Education home, Free software (highlighted), Learn & teach, Competitions & events, Prepare & inspire, Support, and About Autodesk Education Community.

The main content area shows a personalized welcome message: "Welcome back, Janset Savas" with links for "Sign out" and "My account". A blue oval highlights the product selection dropdowns, which are set to "AutoCAD 2016", "Windows 64-bit", and "English", each with a green checkmark indicating selection.

Below the dropdowns, the following details are listed:

- Serial number: 900-77777487
- Product key: 001H1
- Files size: 16.09 MB
- Authorized usage: Install on up to 2 personal devices

A message states: "An email containing the license information above has been sent to you." Below this, three informational links are provided:

- + You are receiving an Educational license [See more](#)
- + Installation restrictions apply [See more](#)
- + Managing licenses for multiple campuses [See more](#)

A red oval highlights the "INSTALL NOW" button at the bottom of the page.

On the right side, a "RECOMMENDED SOFTWARE" section features "Fusion 360: 3D CAD built for the Cloud". It includes a description: "Push, pull and drag designs into the perfect shape with a single cloud-based platform." and a list of features:

- Integrated: Design, test and fabricate
- Connected: Built-in team collaboration
- Accessible: Mac or PC, online or off

A blue "CONTINUE" button with a right arrow is located below the recommended software section.

Come to classes having watched the videos. Good Luck!
