

EEEN 210 Midterm Project Instructions

Description

- You will submit two (2) drawings that are called “the reference files” as four (4) files;
 - name_lastname_South_Elevation.pdf
 - name_lastname_South_Elevation.dwg
 - name_lastname_West_Elevation.pdf
 - name_lastname_West_Elevation.dwg
- The detail files are put to help you through the blurry / pixelated parts of the reference files. You are not required to submit detail files. HOWEVER detail work on South_Elevation and West_Elevation according to the detail files are expected.

- You may work on the details freely using lines, arcs, splines etc. You can create blocks of these details. And then copy with base point to clipboard from an appropriate base point.
- To move them to your original drawing paste from clipboard and scale to fit your reference drawing.
- Use only 'RED' color for your drawings main lines.
- Pdf. Files will be submitted on 'Pdf Sub. Box'
- Dwg. Files will be submitted on 'Dwg. Sub. Box'
